

## **Employee Retention Tax Credit (ERTC) Processing Service for Home Instead Franchisees**

Fellow Home Instead Franchise Owner (411, 422), Dr. Aaron Christopher, CPA has assisted numerous fellow Home Instead owners in calculating and claiming their Employee Retention Tax Credits resulting in millions of dollars for their businesses.

Dr. Christopher is a former tax professor and owner of Action Tax and Accounting in Galesburg, Illinois which specializes in small business and individual tax and accounting. As a fellow Home Instead owner, he knows first-hand the uniqueness of our business and has an established system with PayPlus to quickly access the needed payroll information for fast processing.

Action Tax is offering their ERTC services to fellow Home Instead owners at a discounted rate of only 7.5% of the total credit amount. This is up to ½ what the non-CPA fly-by-night mass marketing companies have been charging. Action Tax offers full audit protection, and all services are provided personally by Dr. Christopher who is an actively licensed Certified Public Accountant.

Contact Action Tax today to get started and claim the funds you are entitled to.
